

**FAAS**Team presents:

**Keep Your Edge**

Please join us for an interactive discussion on how to prepare for unexpected events. Things that can go wrong will at the most inopportune time. As pilots we must have the ability to react and adapt to any situation that may occur during flight operations. We will be utilizing scenario based training for this seminar with the use of real world incidents. For this Seminar we will examine an event from a local pilot that happened in 2015. Come join this discussion to see how this pilot used their training and was able to overcome this event. This seminar is open to everyone and applies to all types of aircraft and pilots, click the link below to register. Hope to see you there.

**Directions:** Take Exit 19 NYS Thruway to Route 28 West for 1/4 mile to Route 209 North for 2.5 miles. Exit Enterprise Drive stay Left. Turn Left on Enterprise Drive; follow to the Stop sign, 1000 ft. Turn Left on Town Hall Drive. Go 500 ft, Building is on Left.

**A message from the National FAASTeam Manager**

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!

The FAA Safety Team (FAASteam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
